

Communism Takes Over South Through Non Segregation Law

—(Continued from Page 1)—

riat of the Executive Committee of the Communist International stated in a letter to the American Communist Party,

"Communists must unreservedly carry on a struggle for the self-determination of the Negro population in the Black Belt in accordance with the decisions of the Sixth World Congress of the Communist International."

This dictate has been periodically restated by the Communist Party, and in December, 1946 it was reissued as a "Resolution on Negro Rights and Self-Determination."

Felix Frankfurter

The anti-segregation decision of the Supreme Court was dictated by one of the most sinister men in America, an Austrian Jew named Felix Frankfurter, leader of the radical World Zionist movement and a lifelong advocate of Socialism and leftwing objectives. Felix Frankfurter was head of defense committee for Sacco and Vanzetti, anarchists who were electrocuted in Massachusetts in 1927. A law partner of Henry L. Stimson in the firm of Winthrop and Stimson, lawyers for Kuhn, Loeb Co., international Jewish bankers who financed the Communist Revolution in Russia, Frankfurter was first thrust upon the American people by President Woodrow Wilson, who brought a horde of alien Socialists to Washington and set up the Socialist hierarchy which was reinstated in power fifteen years later by his understudy Franklin D. Roosevelt.

Wilson appointed Frankfurter as counsel for the Presidential Mediation Commission in the Mooney Case. As the defender of a group of Communist bomb-throwers and terrorists, Frankfurter had the temerity to try to influence Theodore Roosevelt in the decision. Theodore Roosevelt replied in an open letter which has been publicized for years, as follows:

"You have taken and are taking an attitude which seems to me to be fundamentally that of Trotsky and the other Bolshevik leaders in Russia, an attitude which may be fraught with mischief to this country. . . . There again you have engaged in excusing men precisely like the Bolsheviks in Russia, who are murderers and encourages to murder, who are traitors to their allies, to democracy and civilization, as well as to the United States, and whose acts are nevertheless apologized for on grounds, my dear Mr. Frankfurter, substantially like those which you allege.

The official publication of the World Zionist Organization, the Zionist Bulletin, reported in the issue of September 2, 1919:

"A dinner in honor of the Hon. Justice Brandeis, prior to his return to America, was given by the Executive of the World Zionist Organization on August 26 at the Ritz Hotel. Prof. Frankfurter, in proposing the toast to his Majesty's Government, referred to the months of hard work in which he and the other Jewish delegates had been engaged in Paris. They often spoke in different tongues; but they were all animated by a single sentiment—the welfare of Israel and the good of Zion."

The welfare of Israel and the World Jewish conspiracy has always been the single sentiment of Frankfurter's life. One of the architects of the Versailles Peace Conference in 1920 which made the Second World War inevitable because of the impossible terms inflicted upon Germany, Frankfurter was instrumental in carving out the artificial state of Czechoslovakia by forcing together people of different nationalities, which made the Sudeten crisis inevitable. He also stirred up anti-Semitism all over Europe by including in the Treaty special privileges for Jewish residents of all European countries, with the threat that the United States would force the European nations to grant those special Jewish privileges.

American Civil Liberties Union National Committee

Supreme Court Justice Felix Frankfurter has always been a close associate of some of the most dangerous radicals in America. He served on the National Committee of the

A. M. Rosenberg

Herbert Lehman

American Civil Liberties Union with William Z. Foster, an open and professed Communist and the active leader of the Communist Party of America. Also on this National Committee was Morris Hillquit, counsel for the American Communist Party, and many other leaders of the Communist conspiracy. Is this not strange company for a Justice of the Supreme Court of the United States? When we realize that the anti-segregation decision of the Supreme Court followed a directive of the Communist International, we can understand why the decision was written by an associate of the leaders of the Communist Party, who is also the brother of a notorious convict.

Roger Baldwin, director of the American Civil Liberties Union, testified before the Lusk Committee Investigating Communism as follows:

"The advocacy of murder, unaccompanied by any act, is within the legitimate scope of free speech . . . I would say on behalf of the entire committee that all of them disbelieve the theory of constructive intent, and that all of them believe in the right of persons to advocate 'the overthrow of government by force and violence.'"

Thus Baldwin, speaking for Frankfurter and the other members of the American Civil Liberties Union, defended the right of individuals to advocate the overthrow of the American Government by violence. How can we keep a man on the Supreme Court who believes in such basic Communist theories?

Mr. Holaday of the Lusk Committee asked Allen S. Olmstead of the ACLU:

"Did I understand you to say that an alien has a right to preach the overthrow of Government, and anarchy?"

Mr. Olmstead replied, "Yes." Thus, Frankfurter of Austria comes over here and because of the international political power of world Jewry, gets himself appointed to the Supreme Court of the United States despite his hatred of our free American institutions, and proceeds to undermine our country by forcing Negroes and whites together in our schools, to precipitate race riots, and fulfill the Radek directive of 1921. The Lusk Committee summed up as follows:

"The American Civil Liberties Union, in the last analysis, is a supporter of all subversive movements, and its propaganda is detrimental to the interests of the State."

Yet Frankfurter continued as an important official of this group. He was also a director of the NAACP (National Association for the Advancement of Colored People).

Our Worst Supreme Court

The present Supreme Court is a sorry gathering of political hacks, professional Jewish apologists, and democratic leftovers. Justice William Douglas is a prominent member of the United World Federalists, a group financed by the Communist apologist James Paul Warburg of the Soviet revolutionary banking family. United World Federalists actively seeks to subvert the legal government of the American people and substitute a world government in which our citizens will have no control over their own fate. On May 14, 1952, Douglas addressed the CIO Amalgamated Clothing Workers at Atlantic City. As reported in The Daily Worker and other leftwing publications, he said,

"Revolution is our business. We want United Nations recognition for China and American aid for Mao (leader of Communist China)."

Douglas was a classmate of radical Robert Hutchins at Yale. A darling of leftwing labor leaders and Jewish revolutionaries, Douglas

has been advocated for the Presidency of the United States by these groups. He recently accepted a \$1000 Sidney Hillman Award from Jewish labor leaders.

Chief Justice Earl Warren was appointed to that post by Eisenhower for the specific job of ratifying the anti-segregation decision. Warren as Governor of California spent so much time at Jewish banquets that it was said he lost his taste for Christian food.

Justice Tom Clark has cravenly refused to appear before Congressional Committees investigating the startling corruption of the Department of Justice during his term as Attorney General. He has been sharply criticized by many Congressmen investigating this corruption. A typical greedy, self-serving politician, he eagerly went along with the anti-segregation decision, although he is from Dallas, Texas, where he was unknown in the legal profession.

Jewish Revolutionaries Enlist Negro Supporters

The Jewish Communist Party of America has always envisioned arming the 15,000,000 American Negroes as an army with which to enslave the white population of America. For instance, when Senator Eastland of Mississippi protested against the recent anti-segregation decision of the Supreme Court, the New York Post of June 15, 1954 carried a letter by Harry Brice. The New York Post is edited by Dorothy Schiff, Jewess, and owned by the Schiff family. Jewish International bankers financed the 1917 Communist Revolution in Russia. The letter carried in the New York Post, of June 15, 1954, is as follows:

"Sen. Eastland (Dem., Miss.) says the government would have to send an army into the south to enforce non-segregation. That's no problem. You could raise ten divisions in Harlem alone."

This letter is typical of what the radical Jews want to do to the White Christian population of America. Our Congressmen were horrified to learn from many witnesses before the House Un-American Activities Committee that the wholesale slaughter of ministers, school teachers, and independent businessmen in the South has already been planned by the Yiddish revolutionaries, in the process of setting up a Black Republic under the leadership of the notorious Negro Communist Paul Robeson. Robeson was awarded the 1952 Stalin Peace Award. During the Hearing before Un-American Activities Committee he declared "he would go to jail before he would say whether he was a Communist." He educated his son in Soviet Union. Robeson, who made millions of dollars as an entertainer in America because he was publicized and given rave reviews by the little clique of Communist Jews who control radio, television, and the movies, has always hated America.

Every other Negro who has been brought into prominence by the Jews has somewhere in his background an affiliation with Communism and left-wing causes. Consider the case of Dr. Mordecai Johnson, President of Howard University, an All-Negro University in Washington, D. C. which year after year receives more federal aid funds than any other school in America, a school which is the apple of the eye of Franklin D. Roosevelt's sallow helpmate, Eleanor, and a school which has harbored many of the most dangerous radicals in America. Here are the sentiments of Dr. Johnson as reported in the Chicago Defender of June 10, 1933. Speaking before an audience of young Negro intellectuals who were being trained as the black elite of the Communist Party, Dr. Johnson was reported as follows:

"Dr. Johnson urged his hearers not to allow the words Communism and Socialism to blind their eyes to the reality that on Russian soil today — it makes no difference what mistakes are being made or what crimes are being committed — there is a movement for the first time in the history of the world to make available all their natural resources for the life of the common man."

With such speeches many thousands of Negroes were recruited for the Communist Party. Yet Dr. Mordecai Johnson continues today as the President of Howard University, supported by large grants of taxpayers' funds, and is constantly hailed as one of our
